Introducing..... Roses & Razzzberries

This new column will be a regular feature of The Buzz. Do you want to give thanks to someone for a good deed? Do you need to vent your frustrations? Give us a call! Or write us at Century Business Services, Box 691, Tisdale, S0E 1T0. Be sure to include your name and phone number (just in case we have questions).

Nancy would like to send a rose to the Town of Tisdale for their efficient efforts in snow removal this year.

Lori is sending a razzzberry to a local office. Her husband went in to pay their \$40.17 bill. Due to an oversight, the payment was 17¢ short. She is upset that this office wasted her time in a phone call to advise her of this shortage. Perhaps it could have been added to their next bill??

The Tisdale Fire Department would like to send a rose to Brian Minhinnick for serving 25 years on the Tisdale Fire Department...

Don is sending a razzzberry to all you dog owners who don't pick up after your dog is done his "business"...

Sweaty Sam's sweet

Sweaty Sam.
Sweaty Sam says

Ann.

The first U.S. made valentines were crafted by a Mount Holyoke College student, Miss Esther Howland. Her father, a stationer in Worcester, MA, imported valentines every year from England.

Esther, however, decided to create her own valentine messages. Around 1830 she began importing lace, fine papers, and other supplies for her valentines. She employed several assistants and her brothers helped market her "Worcester" valentines. As one of our first successful U.S. career women her sales amounted to about a hundred thousand dollars annually-not bad for the 1830's.

In our century we've seen a change from the heavy sentimentality of earlier days to what can best be described as a light touch. Nowadays a valentine usually accompanies a more elaborate gift of candy, flowers, perfume, etc.

Valentine cards are manufactured on an enormous scale today that range from the sentimental to sophisticated to humorous valentines. There is a valentine for everyone--sweetheart, spouse, children, parents, teacher and even your pet! In terms of the number of greeting cards sent, Valentine's Day ranks second only to Christmas.

Cupid is the most famous of Valentine symbols. He is known as a mischievous, winged child armed with bow and arrows. He shot darts of desire into the bosoms of both gods and men causing them to fall deeply in love. Cupid has always played a role in the celebrations of love and lovers. In ancient Greece he was known as Eros the young son of Aphrodite, the goddess of love and beauty. To the Roman's he was Cupid, and his mother was Venus.

Valentine's Day is a special day of love!
It is day to celebrate friendship and love.
It is a time to give little gifts to special people.
Make homemade Valentine cards for
your family and friends.
Share a story and a smile with
someone you like.

SYMBOLS OF VALENTINES

HEART

EMOTIONS ARE FEELINGS SUCH AS LOVE, HAPPINESS, ANGER, OR FEAR. A LONG TIME AGO, PEOPLE BELIEVED THAT ALL THE EMOTIONS WERE FOUND IN THE HEART. IN LATER YEARS, THEY THOUGHT ONLY THE EMOTION OF LOVE WAS CONNECTED WITH THE HEART. THE HEART IS STILL A SYMBOL OF LOVE, AND BECAUSE OF THIS, IT IS ALSO A SYMBOL OF VALENTINE'S DAY.

RED ROSE

THE ROSE WAS THE FAVORITE FLOWER OF VENUS, THE ROMAN GODDESS OF LOVE. RED IS A COLOR THAT STANDS FOR STRONG FEELINGS. THIS IS WHY THE RED ROSE IS A FLOWER OF LOVE.

RINGS

IN SOME COUNTRIES, MEN AND WOMEN EXCHANGE RINGS WHEN THEY BECOME ENGAGED OR MARRY. TWO OR THREE HUNDRED YEARS AGO, VALENTINE'S DAY WAS A POPULAR DAY FOR GIVING AN ENGAGEMENT RING. AN ENGAGEMENT RING USUALLY HAD A STONE OR JEWEL SET IN IT. DIAMONDS ARE COMMON IN TODAY'S ENGAGEMENT RINGS.

CUPID

SON OF VENUS, GODDESS OF LOVE. HE COULD CAUSE PEOPLE TO FALL IN LOVE BY PIERCING THEM WITH ONE OF HIS MAGIC ARROWS.
